"It's about time you took us seriously. We mean business."

"Grand Prix*" is not just another video card game but a new game system capable of accepting our entire repertoire of new games currently under development."
"Grand Prix*" is the only game you'll ever need to buy."
"All features listed are standard on Grand Prix*."

BASIC GAME SETTINGS:

- Four-in-one multiple game, featuring: "Hi-Low Double-Up Joker Poker." — the classic game with some surprising twists! "Black-Jack" — a casino favorite! "Baccarat" — the game of royalty and "high rollers!" "Sure Shot" — an action billiard game!
- Any single game can be isolated to play alone.
- Option of multiple or single game.
- No more "DIP" Switches
- Wide percentage range — adjustable in 1% increments.
- Adjustable credits per coin in one credit increments.
- Adjustable maximum play per hand — 1 to 99 in one point increments.
- Music on attract mode can be turned on or off.
- Operator selectable "Skill Stop."
- Operator selectable "Single Coin Limit."

The "Grand Prix*" System features

TOTAL OPERATOR CONTROL!

- All options and features are accessed and selected through "on screen" menu!
- Operator has total control over all features and options!
- All features and options can be turned on or off at the operator's discretion, adding maximum flexibility to game. It is virtually possible to have hundreds of machines, each different from the next in some subtile way!
